# Make this a summer to Remember!

Creative art woven into  
an exciting art camp  
experience for children.

All activities are tailored  
to the children's ages  
and developmental levels  
and are taught in small,  
informal groups to foster  
each child's creativity,  
personal growth and  
interests in the arts.

Sponsored in part by:  
Ligonier Valley Education  
Trust Grant and WJAC-TV.

## An Exploration of Art through Nature

Ages 5-9 June 12-16 9 am-Noon

**COST: \$125.00**

35,000 years ago artists began  
creating works of art using  
materials they found around  
them.

In this class we are going to  
explore this idea of using the  
materials around us in order to  
create artwork of our own.

We will find these materials  
to create different textures  
and patterns to enhance the  
artwork.

**Student Art Show:**  
June 17 1:30 pm

## Landscapes in Summer

Ages 10-14

from June 12-23 1 pm-4 pm

**COST: \$225.00**

The camp will include a  
day of orientation, painting  
media exploration, and color  
mixing.

Students will then delve into  
the world of landscapes.  
Days will be spent painting  
plein air style, outside  
the museum building and  
gardens.
