President's Welcome

Good evening and welcome on behalf of the Board of Trustees and the entire SAMA family. I want to thank you for attending the exciting Crystal Soirée event at the beautiful Omni Bedford Springs Resort & Spa.

The Omicron Virus and a tremendous inflation increase have caused our art museums to lose valuable visitations, donations, and local businesses advertising support. The Crystal Soirée fundraiser along with Loretto's Gala, Ligonier's Garden Party, and Altoona's Dueling Pianos, keeps our doors open and functioning with your financial support.

The Southern Alleghenies Museum of Art continues to bring great joy through education, healthcare, veterans, and individual artist presentations. SAMA creates wonderful experiences for both children and adults in the six counties we serve in southwestern and central Pennsylvania.

A BIG thank you to our event host, the Omni Bedford Springs Resort and Spa, and especially to Christi Draves the fundraiser organizer along with the Bedford County Humane Society team for their hard work in planning this evening's event. Special thanks to our platinum sponsors, Joan and Jerry Hawk of Bedford Fine Art Gallery, Paula and Dean Lemley, SAMA Board member and humane society president, and Laura Wray from The Elizabeth Apartments. Thank you also to Delgrosso Foods for their sauce donation and to all our Gold and Silver Sponsors and wonderful patrons. Last but not least, much appreciation to the Crystal Soirée committee members for their hard work and making this evening a grand success.

Thank you all for joining us - enjoy the evening.

- Barry H. Newborn, President, Board of Trustees

WELCOME

Thank you for attending Crystal Soirée 2023, and thank you to all the gracious sponsors and supporters who have given to SAMA Bedford and the Humane Society for this year's Crystal Soirée Fundraiser! We are all truly honored and humbled by your efforts to support our two amazing organizations.

To sum up some of what SAMA Bedford offers, I'd like to emphasize our presence and benefit for the artists and our community. Our incredible galleries, educational programs, and our ability to be interwoven into the community is supported by donors like you.

Our new Children's Discovery Gallery, which opened in October 2022, hosts an all-new side to develop guests understanding about the arts. With varied interactive displays to remake learning, it creates a more inclusive atmosphere for individuals and families that instantly sparks curiosity.

This all is made possible because your donations keep our museum doors open. It's incredible to see what good the museum can do in the lives of this community, and we are so glad you are a part of it!

I also want to express my sincerest gratitude to the Board of Trustees, the Omni, and especially the committee for this event. You all truly helped to make this a magnificent event, and I am endlessly grateful for your efforts in making this night such a success.

Our attendees, sponsors, and donors mean the world to us, and your attendance tonight is a meaningful contribution helping us support our community each day. SAMA Bedford is so fortunate to be a part of such a community.

I hope everyone has an exciting, entertaining, and festive night supporting and celebrating our organizations.

To another incredible year!

- Christi Draves, Site Director, SAMA Bedford

THANK YOU

The Bedford County Humane Society is dedicated to the prevention of cruelty to all animals of all descriptions capable of suffering.

The primary purpose of this nonprofit organization is the prevention of cruelty to animals, the relief of suffering among animals, and the extension of humane education.

It is the policy of the Humane Society to provide humane care and treatment per all animals in need of protection in the area served by the society, to seek and return lost animals to their owners and or to suitable homes for all animals without a home.

Our mission is to continue to care and protect all stray, abandoned or any animal surrendered to the shelter.

They will remain in our care, until suitable homes or forever homes will be provided. Until then they will remain in our care where we take care of any medical assistance that may be required.

We thank you for your commitment and kindness.
